1. We're made in Portugal, on a family owned business with 40 years of experience in footwear manufacture.

2. In facilities powered by solar panel energy and audited for reduced environmental impact, environmental efficiency and sustainable practices.

3. Our shoes are designed to be soft, comfortable, colourful and lasting.

4. For that we need a good fit, which is achieved with round shapes.

5. We choose the best soft leathers from a LWG certified supplier, the global benchmark for sustainability in leather production.

6. Lined with On Steam technology that will keep your feet fresh and dry

7. With a footbed that will perfectly adapt to your feet, which together with the foam lined insole improves even more the experience of wearing Softinos, helping with circulation, easing foot pain and reducing fatigue in prolonged walks.

8. All our soles are exclusive, from designs of our own. And made with light and flexible sole materials, that bend according to the walking motion, providing Comfort for the whole day.

9. Our packing consists of recycled boxes and paper, both with FSC certification, for responsibly managed forests.
